

## LOCAL NEWS.

**RESTAURANTS.**—These establishments when well kept and well conducted are great conveniences, in every city, and useful both for citizens and strangers. We have several excellent ones of this class, in this place; where, at quiet hours, or comfortable rooms, gentlemen can procure their glass of ale, or whiskey and water, or toddy, and their plate of oysters, the very best of their kind. When we noticed, the other day, the 100 general adulteration of liquors throughout the whole country, and casually mentioned one place where we had heard pure beverages were obtained, we had no idea of saying, and were far from meaning, that that was the only place, or was even ahead of others we might have spoken of, and whose merits we have heard frequently extolled by those who patronize them. Indeed, we are told there are restaurants here, whose proprietors test the liquors they buy and sell, and would not willingly keep any they know to be impure. Well established houses soon make their own character, and our citizens have confidence in their proprietors.

**CRUIT COURT.**—Judge H. W. Thomas—Wednesday. In this Court yesterday, Nelson Everett, charged with assaulting Mr. Reynolds, near the Long bridge, was tried, and the jury returned a verdict of guilty, and fixed his term of imprisonment in the County Jail for one year.

Wm. C. Jefferson, charged with embezzlement, was tried, and the jury returned a verdict of not guilty, and the prisoner was discharged.

In the case of Wm. S. Nightingale, charged with embezzlement, a *nolle prosequi* was entered.

M. Rueben, indicted for selling without a license, confessed judgment for a fine of thirty dollars and costs.

The court adjourned till to-day at 10 o'clock.

**THE ENTRACT.**—The dramatic representations of Humoristic Studien by the Entracht Association of this city, at their rooms in Washington Hall last night, was witnessed by a large, appreciative and fashionable audience, and afforded, by the excellent manner and style of the rendition of its several parts, general satisfaction. Where all was perfect it is invidious to particularize, but we must be permitted to especially notice the naive and grace with which Miss Flora Heller sustained the role of Margaret. After the theatrical representations, the room was cleared of its seats, and the remainder of the night was spent in devotions at the shrine of Terpsichore.

**STATE PROXIES AND DIRECTORS.**—On Tuesday last the Board of Public Works appointed J. M. Harris, of Nelson; John M. Chapman, of Orange; and Zeph Turner, of Fauquier, Proxies to represent the State's interest in the annual meeting of the stockholders of the Orange and Alexandria Railroad, to be held in this city on Thursday, the 29th inst. Lewis B. Williams, of Orange; John G. Meem, of Lynnhurg; and C. F. Suttle, of this city, received, at the same time and from the same authority, appointments as Directors of the road.

**THE MASONIC CEREMONIAL.**—The Baltimore and Ohio Railroad Company will issue round trip tickets for one full fare from the various points along the line of its road and branches to such parties as may desire to be present at the laying of the corner-stone of the new Masonic temple on the 20th inst., in Baltimore. They have also made arrangements with the Masonic fraternity of Cincinnati and Louisville, as well as Lynnhurg, Petersburg and Richmond.

**METEORIC SHOWER.**—The meteoric exhibition so extensively advertised to come off last night, failed to gratify the expectant vision of thousands of anxious observers, and, in the consequence of disappointment which naturally exists, the whole affair is pronounced by many to be a humbug. Our friend W. C., who made a bet of an oyster supper that the meteoric shower would not take place at all, is willing and anxious to double his stakes.

**TABLEAUX VIVANTS.**—A series of tableaux vivants will be exhibited by the teachers of the Methodist Protestant Sunday School to-night. The proceeds are to be appropriated to the benefit of the school. Judging from the personnel of those who are to participate in these representations the pictures will be beautiful, and those fond of looking at pretty things should not fail to visit Lyceum Hall to-night.

**MEMORIAL ASSOCIATION.**—Liberty Hall was well filled last night, by delighted spectators of the beautiful living representations, of departed scenes exhibited there. The success of the ladies in this, their praiseworthy effort, to raise funds with which to commemorate our fallen sons and brothers, has been fully equal to the expectations of the managers.

**GORED BY A COW.**—A little girl, daughter of Mr. Caton Arrington, who lives in the brick row, on the northern end of Columbus street, was knocked down and severely gored by a cow, yesterday evening. It was feared at first that she had been seriously injured, but after proper surgical attention it is thought she will recover.

**ATTRACTIVE.**—The sessions of the Circuit Court, now being held in this city, must be very attractive, judging from the large numbers who daily congregate at the Court House. We suppose a desire to learn the fate of the numerous criminals undergoing trial there is the main cause of the large attendance.

**TEACHERS' MEETING.**—The next regular meeting of the teachers and superintendents of colored schools in this district and vicinity, will be held in this city, to-morrow afternoon, at 2 o'clock, in Benish Church, Washington street, near Wolfe.

**POLICE REPORT.**—There were no cases worth mentioning at either the Mayor's or Magistrate's office this morning.

**MANSION HOUSE ARRIVALS.** Nov. 15th.—George P. Evans, Liberty; W. Frisvold, Baltimore; G. W. Chancellors, Fauquier county; E. C. Brown, Middleburg; C. Owens, Fauquier county; Wm. Cline, J. S. Mason, Leesburg; R. N. Johnson, Va.; C. J. Stovier, Orange county; Wm. H. Kite, Liberty Mills; John L. Passen, Lynnhurg; E. C. Marshall, Fauquier county; M. Roland, Baltimore; John Anner, Philadelphia.

**WASHINGTON ITEMS.**—A general meeting of the officers and delegates of the Fenian Brotherhood of the District was held last night, at Brady's Hall, on the island, for the purpose of receiving instructions from headquarters, communicated through R. Oulahan, delegate from the District circles to the Central Convention held at New York a few days ago.

Yesterday morning a man named Joseph Winfield, a watchman employed at the Government warehouse near the depot, attempted to commit suicide by cutting his throat with a razor.

Within the last four days about 50,000 bales of hay consigned to Geo. Tompkins, quartermaster, have been received from New York. It is stored at Eastern Branch Park.

It is said that a colored man named Henry Moore, who died yesterday in the Seventh Ward, was a victim of Asiatic cholera. He was attended by a surgeon of the Freedmen's Bureau.

## A PROCLAMATION.

TO THE PUBLIC GENERALLY.

Whereas, Being armed and equipped with such a stock of READY-MADE CLOTHING as cannot fail to strike the beholder with bewildering amazement, and please the fancy of all; and

Whereas, Having entered the field for the Fall and Winter Campaign, of trade, I am determined to repulse, if not entirely vanquish, the great system of monstrous prices and murderous profits, which have settled upon our poor country like a mighty inundation, sinking and dragging down deeper depths of poverty, and dragging down the affluent, and even driving many to distraction; and

Whereas, I have taken unusual pains in the selection of my stock, and have purchased all at the lowest cash prices, which will enable me to accommodate any purchaser at the lowest cash prices.

Therefore, I, CHAS. A. GLADKE, 119 King street, between Pitt and St. Asaph, do hereby issue this, my proclamation, to dispose of my new stock, upon such terms as must give entire satisfaction.

Whereunto, I have this, the 26th day of October, A. D. 1893, and of the Independence of the United States of America the nineteenth year, placed my hand and caused the great seal to be affixed.

[C.A.G.] CHAS. A. GLADKE. oct 26-1f
